Produced by David Byrne  
 Mixed by David Byrne  
 Recorded at The Record Plant, Los Angeles, California

**STUDIO CITY** is the second album from the band, following their debut, *Black Star*. The album features a mix of rock and pop songs, with a focus on David Byrne's songwriting and production. The album was recorded at The Record Plant in Los Angeles and produced by David Byrne himself. The album is a testament to the band's creative and musical evolution.
