

OUT OF CONTROL

The Crossfires' new album, 'Out of Control', is a collection of hard-hitting rock songs that showcase the band's raw energy and powerful sound. The album features a mix of classic rock anthems and modern, edgy tracks that have earned the band a loyal following.

The album is produced by Mark Yonker and features guest appearances from several notable musicians. The track 'Out of Control' is a particularly standout, with its driving rhythm and soaring lead guitar.

For more information on the album and the band, visit their website at www.thecrossfires.com.
