

Ry Cooder
Buena Vista Social Club
Nonesuch
RTH 79478-200G

This wonderful surprise from Havana is now available, under an exclusive worldwide license from World Circuit/Nonesuch, on 180 gram vinyl! These discs are mastered directly from the original analog tapes by Bernie Grundman (who mastered the original CD) under the supervision of the project producer, Ry Cooder. A 2-LP set in a gatefold jacket, it features artwork and photography from the original deluxe compact disc packaging.
