Diana Krall sings like she truly loves the holidays and holiday songs. On this beautiful production by Tommy LiPuma and Al Schmidt, Diana is accompanied by the Clayton-Hamilton Jazz Orchestra on tunes including holiday standards like "Jingle Bells", "Let it Snow", "Have Yourself a Merry Little Christmas", "White Christmas." and "I'll Be Home for Christmas". Diana Krall swings like nobody's business on what will likely be the best holiday jazz record of the season. What makes this album truly special is the fact that it holds up as both a Christmas album and as a jazz record. It's perfect for chestnut-roasting weather, but you could also see spinning it in mid-July just for kicks. It's not mere hyperbole to say that this record sounds like an instant classic - appealing to everyone -- not just jazz fans. Mastered from the original two track 1/2" analog masters by Bernie Grundman on Classic's "All Tube" cutting system. This LIMITED PRESSING is pressed on White Vinyl for this Holiday Season. So, if you're looking for a hip way to jazz up the holiday for the whole family, Diana Krall's

Christmas Songs is exactly what you need. Ho Ho Ho
