

Miles Davis
Sketches Of Spain
Columbia
CS 8271-200G
Released January 1, 2000
Listed in Jazz

As a follow up title our highly-successful release of KIND OF BLUE, Classic has chosen another perennial winner SKETCHES OF SPAIN. From his most melodic, and some feel prolific Columbia period, "SKETCHES" is one of the four full albums Miles Davis would collaborate with Gil Evans. The masterful trumpeter tackles Spanish melodies that fascinated and intrugued him.

Track list:
Concierto De Aranjuez, Will O' The Wisp, The Pan
Piper, Saeta and Sole
