

ERIC CLAPTON/BACK HOME (2LP 180g)

Says Clapton, 'One of the earliest statements I made about myself was back in the late '80s with Journeyman. 'Back Home' completes that cycle in terms of...my whole journey as an itinerant musician and where I find myself now.' This is his first album of original material since 2001's Gold-selling, Grammy-winning, #5 charting 'Reptile'. It also follows this summer's historic and heralded Cream reunion and 2004's Gold-selling, Top 10 'Me And Mr. Johnson' covers disc (and audio/video companion 'Sessions For Robert J'). With 'Back Home', now on two 180 gram discs half-speed mastered by Stan Ricker, three-time Rock And Roll Hall Of Famer and sixteen-time Grammy winner Clapton finds his way home with another modern classic. Don't miss out on this one, the vinyl may not be around for long.
