

## Natalie Cole Still Unforgettable On 2 x 180g Vinyl LP Set

Seventeen years after the release of her multiplatinum, award winning album *Unforgettable: With Love*, eight-time Grammy-winning vocalist Natalie Cole delves back into the great American Songbook to recreate the feel and flow of that landmark title with *Still Unforgettable*. The album marks Cole's first producer credit and features fourteen all-new recordings on which the singer lends her voice to classic songs such as "The Best Is Yet To Come," "Nice 'N' Easy" and "Something's Gotta Give" among others. Also featured is another memorable duet with her late father, the legendary Nat King Cole, on "Walkin' My Baby Back Home."
