

# THE RED HOT CHILI PEPPERS/STADIUM ARCADIUM (180g 4LP DELUXE EDITION BOX SET)

Deluxe Limited Edition 180 gram 4LP Box Set Version !

This Deluxe Edition features four 180-gram High Performance Vinyl LPs?because sound matters! The band?s analog recording was mastered for vinyl by Steve Hoffman and Kevin Gray. Plating and pressing was done at R.T.I. The package, a silver box, includes two 16-page books, and the discs are housed in individual sleeves, printed on special paper.

Anthony Kiedis of the Red Hot Chili Peppers calls the band?s first new album in four years, Stadium Arcadium, the most-anticipated album of the spring, ?the best thing that we?ve ever done?. There?s this weird kind of sublime,subliminal undercurrent that is suggestive, in a spirited way, of our earliest records.? Exuding all the passion, energy and funky-rock that have made the Red Hot Chili Peppers one of the most popular bands in history, Stadium Arcadium, simply put, will knock your socks off.
