

Van Halen Van Halen On 180g Vinyl LP

Remastered from the Original Analog Tapes by Kevin Grey at Acoustech and Pressed on 180g RTI vinyl! True Audiophile-Quality!

One of the most explosive and accomplished hard rock albums ever produced, mastered from the original master tapes and pressed on 180g vinyl for the very first time! Van Halen's 1978 self-titled debut altered perceptions of what the guitar could do and it set the template for the sound of rock & roll for the next decade. From the instrumental blow-out of "Eruption" and the gritty pop of "Feel Your Love Tonight," to the strutting riff of "Ain't Talkin' Bout Love" and the grandiose reworking of The Kinks' "You Really Got Me," Van Halen amply demonstrates the drive, showmanship and musicianship that would turn them into rock revolutionaries!
