

Van Morrison His Band And The Street Choir On 180g Vinyl LP

Remastered from the Original Analog Tapes by Kevin Grey at Acoustech and Pressed on 180g RTI vinyl! True Audiophile-Quality!

Van Morrison's second 1970 release, *His Band And The Street Choir* came on the heels of his legendary albums, *Astral Weeks* and *Moondance* and it serves as his ode to the R&B that inspired their success. The tunes here are among the most soulful in Morrison's repertoire and the album is dominated by uptempo swingers such as the joyous opener, "Domino" along with "Call Me Up in Dreamland," "Give Me a Kiss" and "Blue Money." *His Band And The Street Choir* is another beautiful phase in the development of one of the greatest and most influential singer/songwriters in music history.
